Best Friends is a creative look at several friendships that have strongly aff... Best Friends book. Read reviews from world's largest community for readers. Add tags for "Best friends : the ordinary relationships of extraordinary people". Be the first. Extraordinary people exist within even the most ordinary lives. They are the ones with the knack for living genuinely and who inspire us to attempt the same. Best Friends: The Ordinary Relationships of Extraordinary People. Nashville, TN: Cumberland House, 1998. I have previously commented on another Grant book, Shelf Life: How Books Have Changed the Destinies and Desires of Men and Nations .
