Four down, twenty-one Alex Cross novels to go. Cat and Mouse is easily the best one of the series so far. A lot can happen in twenty-one books. Cat and Mouse is my first foray into the world of Alex Cross, a world written by James Patterson. While much better than the Iris Johansen novel I delved into last year, slightly above average is the best I can call this work. Cat and Mouse is the fourth novel in the Alex Cross series by James Patterson. It revolves around Cross dealing with Gary Soneji, the villain of *Along Came a Spider*, and a serial killer known only as Mr. Smith.
