It's springtime and for many people and their dogs, it means the return of allergy season. Haley's had allergies issues throughout her life but her symptoms have gotten worse now that she's older and our usual method of treatment (Benadryl and self help strategies) no longer keep the itching, licking and scratching under control. If you have any general questions, please read our FAQ, which also includes instructions on how to send us e-mail for corrections to menus or general show info.
