

Download Eye Care: What You Need To Know Before You See The Eye Doctor

Visions Eye Care & Vision Therapy Center in Sioux Falls. Welcome to Visions Eye Care and Vision Therapy Center. We believe that your eyesight is a precious gift and we are dedicated to providing you the best technology and care possible to help you maintain and improve your vision. We know choosing an eye doctor is an important decision for you and your family. Dr. Anthony Makar and Dr. Rebecca Makar are life long Alaskans and are the owners of Makar Eyecare. From our office in Kenosha, Dr. Jeffrey R. Thomas and Dr. Donna Brunello provide optometry and eye exam services to Pleasant Prairie and Racine (WI).. Whether you need an optometrist for a routine eye examination, to find the right pair of contact lenses or glasses, or for more advanced eye care services, you want to know that the doctor you are seeing has the right experience, expertise, and ...What is Glaucoma? Glaucoma is increased pressure within the eye (intraocular pressure = IOP). Cells inside the eye produce a clear fluid ("aqueous humor") that maintains the shape of the eye and nourishes the tissues inside the eye.
