

# Download First Came The Indians

Kennewick Man. The identity of the first Americans is an emotive issue for American Indians, who believe their ancestors were the first to inhabit the Americas. Controversy erupted after skeletal remains were found in Kennewick, Washington, in 1996. **FIRST CAME THE INDIANS** [Ralph Wheeler] on Amazon.com. \*FREE\* shipping on qualifying offers. Describes six North American Indian tribes: Creek, Iroquois, Chippewa, Sioux, Makah, and Hopi, detailing their material culture and social structure. **First came the Indians.** [M J Wheeler; James Houston] -- Describes six North American Indian tribes: Creek, Iroquois, Chippewa, Sioux, Makah, and Hopi, detailing their material culture and social structure. Native Americans are often known as Indians or American Indians. The term Native American was introduced in the United States in preference to the older term Indian to distinguish the indigenous peoples of the Americas from the people of India, and to avoid negative stereotypes associated with the term Indian.
