Married to my Garden stays on my nightstand because I don't tire of picking it up. I find Ms. Ashmun's writing to be in a class with Henry Mitchell (whose books also stay in easy reach)...which is to say, timeless. My garden is located in Vista, California, about 8 miles from the Pacific Ocean, at an elevation of 475 feet. It is classified as a USDA Hardiness Zone 10a, but I consider it a 10b, since I live in an excellent microclimate. In Married to My Garden Barbara Blossom Ashmun's life as a gardener follows the stages of romance. At first she's obsessed, dreaming of plants day and night. Like a woman in love, she's possessed-until weeds, and slugs make her question the whole affair. Yet even a brief absence makes her realize that she can't live without her hands in the dirt.
