"Style" has been one of the cornerstones not only of the modern discipline of art history but also of social and cultural history. In this volume The culture of Mexico reflects the country's complex history and is the result of the gradual blending of native culture (particularly Mesoamerican) with Spanish culture and other immigrant cultures.. First inhabited more than 10,000 years ago, the cultures that developed in Mexico became one of the cradles of civilization. During the 300-year rule by the Spanish, Mexico became a crossroad for ... The Americas (also collectively called America; French: Amérique, Spanish/Portuguese: América) comprise the totality of the continents of North and South America. Together, they make up most of the land in Earth's western hemisphere and comprise the New World.. Along with their associated islands, they cover 8% of Earth's total surface area and 28.4% of its land area.
