"Once a Warrior: Wired for Life" is a must read for any soldier returning from combat, especially Iraq and Afghanistan. As a Military Chaplain I have used this book extensively making it available to both returning service men and women and their spouses. Once a Warrior: And Wired For Life illustrates how to turn negatives into positives and assists our highly trained military personnel in utilizing their tremendous potential in achieving success and happiness after their release from military service. "Your books "Once a Warrior – Wired for Life" and "Down Range to Iraq and Back" have revealed to me that I do not have a mental disorder. I am grateful to both of you for that. I am grateful to both of you for that. Once a Warrior: Wired for Life should be required reading for military personnel from the privates to the commanding officers, for every family member, and for anyone in the healthcare profession treating or talking with military personnel and veterans from current conflicts and past conflicts. Buy the book, read it, pass it on, and encourage ...
