Théodore Géricault was something of an exception, but he was separated from his immediate predecessors both by temperament and by the sincerity of his approach. Individual suffering rather than collective drama is vividly portrayed in “The Raft of the Medusa” (c. 1819; Louvre). This, Géricault’s... More info From Alexandria to York, this unique illustrated guide shows us the great centres of classical civilization afresh. The book's key feature is 120 specially-drawn maps tracing each city's thoroughfares and defences, monuments and places of worship. What if — whoosh, right now, with no explanation — a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors ...Types. Writers choose from a range of literary genres to express their ideas. Most writing can be adapted for use in another medium. For example, a writer's work may be read privately or recited or performed in a play or film.
