

Download The Literary Enneagram Characters From The Inside Out

As entertaining as it is illuminating, THE LITERARY ENNEAGRAM offers a fresh version of the standard "Great Books" course, using characters from literature to show the inner dynamics of the nine Enneagram personality types and their variations. The Literary Enneagram: Characters from the Inside Out. Judith Searle's work validates the Enneagram as a universal template for human psychology by showing how characters created by authors unfamiliar with the Enneagram conform to the character arcs the system predicts. FOR WRITERS: THE LITERARY ENNEAGRAM offers screenwriters, ...
